

**CIVIL PROJECT ENGINEER**  
**5-10+ years' experience (Federal Way)**  
**Salary range DOE: \$80,000 to \$120,000.**

ESM Consulting Engineers LLC (ESM) is a locally owned company with offices in Federal Way and Lynnwood that has been in business since 1982. We provide civil engineering, surveying, land use planning, landscape architecture and GIS services to our public and private clients throughout the Pacific Northwest.

We are currently seeking a Civil Project Engineer with 5-10+ years of experience. In this position you will work on the design, permitting and construction phases for projects, including large master planned development communities, single and multi-family residential developments, transportation projects, and commercial and industrial sites.

**EDUCATION & EXPERIENCE**

- Bachelor's Degree in Civil Engineering
- Professional Engineer license in the State of Washington
- 5-10+ years of experience in the field of engineering
- Proficiency in AutoCAD and Civil 3D

**ESSENTIAL DUTIES AND RESPONSIBILITIES INCLUDE:**

- Independently perform mid-level engineering (civil site layout, cross-sections, engineering details, stormwater, water, sanitary, wastewater, roads and utilities)
- Must have strong understanding of design and construction engineering principles, practices and methods
- Ability to work closely and effectively with regulatory and local agencies and others to ensure projects are delivered successfully

ESM offers an excellent benefits package to our full-time employees which include:

- Medical/Dental/Vision
- 401(k)
- Competitive salary
- Profit sharing
- Great opportunities for growth
- Friendly and casual work environment
